TONI ZAFFA (Tina) On stage in Australia at the age of 10 performing with her brother's blues band, dreaming of New York, Toni Zaffa knew there was no turning back. The following years were progressing from talent quests, to numerous rock and rhythm & blues bands, DJ'ing a successful blues radio show, vocal and acting training at the Australian Conservatorium, and, transcending blues and rock, to cabaret, theatre, rock opera, television and film (including JESUS CHRIST SUPERSTAR, SHIEKE, RATTLE AND ROLL,

ALADDIN, and numerous others). Toni is presently living in New York and pursuing her dream.
